Announcement of Vacancy
for the position of
Assistant Principal
An Affirmative Action Equal Opportunity Employer

The Community
The community is largely rural and is located between Salamanca and Jamestown. Randolph enjoys strong community support and involvement. The nine communities that comprise the district are supported by dairy farms, timber and gravel companies, small businesses and an alternative school. Residents enjoy the scenic rural setting and have access to some of the best outdoor activities in the State including skiing, hiking, biking, swimming, hunting and fishing. Many excellent golf courses and State and County parks are nearby.

Major educational institutions within a short commute are Fredonia SUNY, Jamestown Community College, Jamestown Business College and St. Bonaventure University. There are an additional seven colleges and universities located in the Buffalo area. Quality health care and major hospitals are readily accessible to area residents.

The Randolph community and the Board of Education have a very high regard for the staff and the quality of instructional programs. The community has consistently approved the annual budget and the capital projects associated with the maintenance and improvement of instructional programs and facilities.

All of this, combined with a range of housing opportunities, provides the Randolph Central School District with an excellent quality of life for its employees.

The District
The Randolph Central School District is a high quality school system with a unique and broad set of student offerings. The district encompasses 262 square miles in the southwest corner of Cattaraugus County. The district employs 97 instructional staff and 89 non-instructional staff. The day-to-day operations are administered by an Elementary Principal, a Director of Pupil
Services, a High School Principal, and the Assistant Principal. The current population of the school is approximately 950 students in Pre-K through 12.

Randolph is proud of its excellent academic program, which has seen significant gains in the past couple of years. The district is also very proud of its music, arts, and athletic programs. The school receives strong support from the residents of the community. It is a component district of Cattaraugus-Allegany BOCES.

**The Selection Process**

Initial screening of candidates will be based upon criteria established by the Board of Education and Superintendent. Selected finalists will be invited to the district for interviews with various groups consisting of administrators, teachers, and Board of Education members.
