

Dear Parent(s)/ Guardians:

I can't believe it's almost time for school to start again. The summer has been so beautiful and I hope everyone has enjoyed it. If only, we could keep some of the sunshine all year long.

This year is going to be very exciting! My goal for the classroom has always been to make it a warm and inviting environment where every student feels happy and comfortable. It is also my goal to meet every student's needs on a daily basis. Their goals are very important to me and I will do my best to meet every one of them.

I encourage all parents to contact me at any time. Being able to communicate freely with students and their parents will make this school year much more enjoyable. As many of you know, I will contact parents if there is an issue that may arise. I enjoy staying in contact with parents either by email or phone. It allows me to better help the students.

The following page is a supply list for your child. If you need assistance finding or purchasing the items, please contact me.

Thank You,

Mrs. Bedell
